

## Plugged In

Plies

I know Pablo, I know Pablo [x7]  
I'm plugged in  
I'm plugged in  
I'm plugged in

I can get you anything you need cause I'm plugged in  
Send them Haitians at you cause I'm plugged in  
He can't get my prices cause I'm plugged in  
I can make it happen cause I'm plugged in  
I'm plugged in

I know the man  
You just know the man next to the man  
He showed me love  
Wholesale  
He asks you (how much?)  
Double hell  
My face good  
My word long  
I can make it happen one phone call  
Yeah what's up?  
Send em through  
I can have em here before this verse through  
Real shit  
Think it's a game  
He know many ladies by they first name  
Real talk  
Real shit  
I can get you anything you want bitch

I can get you anything you need cause I'm plugged in  
Send them Haitians at you cause I'm plugged in  
He can't get my prices cause I'm plugged in  
I can make it happen cause I'm plugged in  
I'm plugged in

I can get you anything you need cause I'm plugged in  
Send them Haitians at you cause I'm plugged in  
He can't get my prices cause I'm plugged in  
I can make it happen cause I'm plugged in  
I'm plugged in

Shooters know me  
Just say the word  
That word that shooters told me  
I know them too  
They know me well  
Pull up on ya (what they call it?)  
Roadkill  
Well respect  
Well connect  
One thing I ain't  
Apologetic  
I'm a play the game going deep pockets  
For a 8 ball they'll pull rockets  
I can get you this I can get you that  
Hellfire tell them they'll take your sack

Always stood on the front line  
Just brought a uzi that don't make a sound

I can get you anything you need cause I'm plugged in  
Send them Haitians at you cause I'm plugged in  
He can't get my prices cause I'm plugged in  
I can make it happen cause I'm plugged in  
I'm plugged in

I can get you anything you need cause I'm plugged in  
Send them Haitians at you cause I'm plugged in  
He can't get my prices cause I'm plugged in  
I can make it happen cause I'm plugged in  
I'm plugged in
