

Rejuvenated

Plies

Hunnid bands for a kilo nigga
Ya, ya, ya, ya
Ya, ya, ya, ya
Ya, ya

Woke up the morning feeling rejuvenated
Hunnid bands on me, ya, I accumulated
If it ain't about a bag ain't affiliated
Pussy like fish it's contaminated
Hussla of the year, ya, I'm nominated
Went to jail ain't fold population stick
Hold a Hunnid make me demonstrate it
Ain't nothing low key I been coolin', baby

I got a sick mind
I've been thinking bout a Rihanna, cus the bih fine
I done beat her out the head for the sixth time
I just like to buy the foreigners, I don't rent mine
Got the Cuban in the Rollie yeah the whole nine
Got the pink slip to it, ya the flow mine
If she bad like Rih she a whole dime
Put the rubber on in the car I don't waste no time
Got committed on ya ass I like to do things
Free B.G. ya, bling bling, bling bling
I'm on the floor you in the nosebleed, nosebleed
Word on the street you the police, police

Woke up the morning feeling rejuvenated
Hunnid bands on me ya, I accumulated
If it ain't about a bag ain't affiliated
Pussy like fish it's contaminated
Hussla of the year, ya, I'm nominated
Went to jail ain't fold population stick
Hold hunnid make me demonstrate it
Ain't nothing low key I been coolin', baby

I'm in that Henny right now doing doughnuts
Tell the FEDS and the DEA I don't know nothin'
Please don't reach for my chain, I'll blow something
I'm a strip club don, I'll thro' something
I took a lost one the white and I shook back
Ran it up since then and ain't look back
I'll pay for a body let the lames know
Touch any one of mine it's a funeral
I'm a b-o-s-s period
I run red lights period
I'm on my Yung Mami shit, I'm hollerin' period
If the pussy ain't good I don't want it period point blank

Woke up the morning feeling rejuvenated
Hunnid bands on me ya, I accumulated
If it ain't about a bag ain't affiliated
Pussy like fish it's contaminated
Hussla of the year, ya, I'm nominated
Went to jail ain't fold population stick
Hold a hunnid make me demonstrate it
Ain't nothing low key I been coolin', baby

Ya, ya, ya
