

Twerk (Freestyle)

Plies

I want a slim, fine woman with some twerk with her
I want a slim, fine woman with some twerk with her
I want a slim, fine woman with some twerk with her
I want a slim, fine woman with some twerk with her

Beat it too good, now she playing games with the rubber
I'm a anti, I don't associate with the suckers
Try to break it off in her every time that I cuddle
And he don't really want smoke, that lil dude, he a ducker
I just really like to beat her with her red bottoms on
I'll pay for them 30 inches, I just really like it long
I'm a hot boy, 400 degrees like Juvie
When she jack them tights up in the front it's a movie
I'm a lace front lover, bad bitch lover
I don't negotiate when it comes to the rubber
I'm a blue hundred carrier, keep a stick in the area
I'm just tryna beat your head in, I ain't tryna marry you

I want a slim, fine woman with some twerk with her
I want a slim, fine woman with some twerk with her
I want a slim, fine woman with some twerk with her
I want a slim, fine woman with some twerk with her
Twerk-twerk-twerk-twerk-twerk-twerk with her
Tw-twerk-twerk-twerk-twerk-twerk-twerk with her
Tw-twerk-twerk-twerk-twerk-twerk-twerk with her
