Plies

Bitch like that went viral
Whole squad like that went viral
Look at how I'm slaying when are windup went viral
Bitch like that went viral
Whole squad like that went viral
Look at how they staying talking 'bout when I went viral

My been web a Z
I am worse than me
He is only semi name right now he need attention
I just blew a chicken
Yuck is what I'm sipping
I just had a foursome last night God forgive me
Deep down and got me tripping
Hi there mum I been there
You can hang around me cause you are way too filling
Smoking in the building please get out your feelings
Guess into a letter eat me she gone be really

Next shit like megall
Talking like you wire
Told that thing wasn't smelling right
I told her what's the sour
I don't need no lies for what
Bitch I got a driver
Please don't come around I swear to God I ain't lying
I'm real just like the Bible
You need to retitle
You ain't gotta choose no mo'
Look bitch you expired
You cold in these streets right now I'm on fire
Soon as I walk in this bitch I went viral
