

Yeen Really On Dat

Plies

Yeen really on that, yeen really on that
Talk like you are bear, nigga
Yeen really on that
Take a bit through that
Yeen really on that
Pull up on a nigga ass
Yeen really on that
Nigga, yeen really on that
Run down on a bih
Yeen really on that
Yeen really on that
Yeen really on that
Nigga, yeen really on that
Yeen really on that
Nigga, yeen really on that
Yeen really on that

Real recognize, real, nigga, you don't look familiar
I heard a nigga took his chain, damn, go after your killers
If you're sweet then you're trash, blow that off the ripper
But my bitch, I'm busting, niggas turn that off the drill
Everybody ain't pussy, everybody ain't killers
That's most you niggas flag to us, that's on the realer
Keep your mind... and keep your finger on the trigger
I feel by the... but... they're guessing
My models will be for me and for bitch I'll really fix it
You got niggas that fly, you got niggas that living
You ain't ready to go to war, you don't act like you will
You won't give bitch the issue, they don't talk like you will

Talk like you are bear, nigga
Yeen really on that
Take a bit through that
Yeen really on that
Pull up on a nigga ass
Yeen really on that
Nigga, yeen really on that
Run down on a bih
Yeen really on that
Yeen really on that
Yeen really on that
Nigga, yeen really on that
Yeen really on that
Nigga, yeen really on that
Yeen really on that

He got the mind of a realer, but got the hear of a puddle
He ain't really about that shit,
That's why I... for a nigga to spook you
When you're done by that... you can't swear, she get crucial
Why you are out here with all that... as niggas playing with rubber?
And the shit I had to learn, I'll be the first one to sue ya
The same one that... their ass, on Twitter talk stupid!
Oh no, he ain't a burglar, oh no, he ain't a gangsta
That fuck niggas, that hurt
That pussy trying to get famous
I'm a help you out with that

On sweet cheese your ass
Drop a young nigga off, and let him... on your ass
They're trying to trick me off the streets
But a fuck nigga ain't
Nigga feel lucky every... but I'm a leave his ass stink!

Talk like you are bear, nigga
Yeen really on that
Take a bit through that
Yeen really on that
Pull up on a nigga ass
Yeen really on that
Nigga, yeen really on that
Run down on a bih
Yeen really on that
Yeen really on that
Yeen really on that
Nigga, yeen really on that
Yeen really on that
Nigga, yeen really on that
Yeen really on that
