Impossible

Plumb

Throw you a kiss, and you catch it
Right on your cheek, oh boy it's magic

You make impossible so possible for me
You make impossible so possible for me

I wear a frown, and you fix it
Turn it around just like it's Christmas
You make impossible so possible for me
You make impossible so possible for me

You are the beat in my heart, the light in the dark
You chase all of the monsters away
And when I can't catch my breath you're the voice in my head
That says "you're gonna be okay"

You make impossible so possible for me
You make impossible so possible for me

I get kinda stuck, you always get me
Out of the mud, figuratively

You make impossible so possible for me
You make impossible so possible for me

You are the beat in my heart, the light in the dark
You chase all of the monsters away
And when I can't catch my breath you're the voice in my head
That says "you're gonna be okay"

You make impossible so possible for me
You make impossible so possible for me

Whoa oh, oh oh, oh oh oh
Whoa oh, oh oh, oh oh oh
Whoa oh, oh oh, oh oh oh

Whoa oh, oh oh, oh oh oh
Whoa oh, oh oh, oh oh oh
Whoa oh, oh oh, oh oh oh

You are the beat in my heart, the light in the dark
You chase all of the monsters away
And when I can't catch my breath you're the voice in my head
That says "you're gonna be okay"

You make impossible so possible for me
You make impossible so possible for me

Whoa oh, oh oh, oh oh oh
Whoa oh, oh oh, oh oh oh
Whoa oh, oh oh, oh oh oh

Whoa oh, oh oh, oh oh oh
Whoa oh, oh oh, oh oh oh
Whoa oh, oh oh, oh oh oh
