Going Crazy

Plus One

Gave my life away now it's time to play
Gotta live with the choice I've made
This is what I choose if I don't wanna lose
Then I need to let you make my move

[Channel:]
'Cause you know better than I, than I could ever
And I don't wanna try to ever do without you
You know more than I could, than I could ever
And if you weren't with me
I'd go crazy

[Chorus:]
I can't pretend that I don't need you
With all the stuff in my life I just don't know what to do
Every time I'm afraid of what's in front of me
You keep me from goin' crazy
I think it's done but the tape keeps rolling
Can't push stop cause my life is recording
All this pressure keeps on pressing
You keep me from goin' crazy

Every face I see takes a hold of me
And keeps me where I need to be
But with a lot on my mind
sometimes it makes me blind
And the vision gets hard to find

[Repeat Channel and Chorus]

I thank you for the life I lead
I wouldn't trade it, not for a minute
I don't wanna think that I don't
need You with me
You are my security
Now that I got it I can't go without it
'cause I need you, need you to keep
from going crazy
