

Here In My Heart

Plus One

Wherever you are tonight girl
I'll see you in my dreams
Wherever I go tomorrow
You'll be here next to me

And though we are a world apart
I know you'll never be that far

[c h o r u s]
'Cause here in my heart
There's a picture of us
Together forever
Unfaded and unbroken
Wherever you are
Your love covers me
Forever more you'll be
Here in my heart

Whenever I miss you so much
It's more than I can bear
I won't cry, I'll just close my eyes
And know you'll be there

Your kiss and your touch
I'll never forget
'Cause you're as close
As my very next breath

[c h o r u s]

And though we are a world apart
I know you'll never be that far

[c h o r u s]

My heart
