If you ain't shakin' shit, then hit the door

She shakin' ass all in the section, hit the splits too  
Damn, he say I'm fine  
If he look, then he took, lil' bitch, he mine  
Damn, go get some racks  
I'm makin' pape', ho, you sittin' on your ass  
I said, damn, big booty Judy

If you ain't shakin' shit, then hit the door  
It's really bad bitches here and one pole  
And I ain't scared, I'ma show you I'm a ho  
Pull out them racks and watch me put it on the floor  
I'm on a mission, won't catch me slippin'  
It's plenty room in the game, no competition  
She thick as hell, she shakin' butt, that's what I like  
And fuck that Lulu, if you want me, book a flight

Damn, lil' mama thick too  
She shakin' ass all in the section, hit the splits too  
Damn, he say I'm fine  
If he look, then he took, bitch, he mine  
I said, damn, go get some racks  
I'm makin' pape', ho, you sittin' on your ass  
I said, damn, big booty Judy  
This wham fat, he tryna touch all on my booty
