Let off them shots, you hear that sound

Tryin' not to spazz and try to think first  
That nigga livin' for a reason  
This shit get hectic when you pay  
Backdoor wide open, your homie sneakin'  
Left him dead soon as he reach  
Real OCD, he in the dirt  
Pain in your chest and in her chest  
We left another mother hurt  
Fuck that pussy nigga, no condom  
All be strapped, bitch, no dyke  
Oh, so you bangin', huh? I'm bangin' too  
He brought a Glock to a Drac' fight
