

Out Her Body

Pluto

Glee, glee
Big PLUTO, bitch
(Need my Don Julio, like what the fuck? Uh)
(Mario)

These hoes be lookin' for a friend, bitch, I be lookin' for a c heck

Feel like I just hit the lotto, diamonds dancin' around my neck
This nigga think he DJ Khaled, sayin' this coochie is the best
How you poppin' all that shit and I ain't never seen you step?
Bitch, I be reppin' for my city and I rep my nigga set
Put my day ones on a PJ, we lookin' like some fine shit
Water drippin' off the watch, bitch, I can't tell what time it is

They let a bitch get out her body, bet I push her back in

I be cookin' hoes, hibachi, shit filet mignon
White paint up on my toes, your daddy wanna take me home
Forever poppin' shit and I ain't never been no pussy ho
Check your nigga, bitch, not me or put him on the fuckin' floor
I get money, these bitches can't stand me
Fuck your kids and fuck your granny
Bitch, it ain't no new friends, I keep it strictly in the family
I'm Bob the Builder with the tool, you know this Gen gon' come in handy
I took over the fuckin' booth, bitch, I'm just waitin' on my Grammy

These hoes be lookin' for a friend, bitch, I be lookin' for a c heck

Feel like I just hit the lotto, diamonds dancin' around my neck
This nigga think he DJ Khaled, sayin' this coochie is the best
How you poppin' all that shit and I ain't never seen you step?
Bitch, I be reppin' for my city and I rep my nigga set
Put my day ones on a PJ, we lookin' like some fine shit
Water drippin' off the watch, bitch, I can't tell what time it is

They let a bitch get out her body, bet I push her back in

And, bitch, I rep my nigga set

On God

On God

Bet I push her back in

Huh?

Huh? Bet I push her back in

They let a ho get out her body, bet I push her back in
