

Party All Night

Pluto

Are you ready?

God damn
That shit sound right
I'm having fun
I'm tryna party all night

God damn, he said I'm bad
Took him home
He started feeling on this ass

Shake that ass, hoe
Pop them titties
Getcho ass on that floor
Show them how to get litty

Shake that ass, hoe
Pop them titties
The rich niggas in here
Throwing blues, let's get it

Let's go, let's go
Let's ride, let's ride
Lemme see you dance
Bitch, don't hide, don't hide

Let's go, let's go

Shake it off, God damn
It started doing tricks
