

Petty Shit

Pluto

(Ayo, 10)

(I just be loaded like L3NO)

Come through turnin' up your city
Performin' hits right after hits
Young niggas cool, but I like bad hoes
Gotta watch me around your bitch
No tit for tat, but if you want me, then you gotta tat my name
If you mindin' on your business, I don't want that petty shit, that petty shit

Yeah, rappin' made me famous, but money could never change me
Different shows every night, I swear to God, I'm still the same
Said we gon' be alright, yeah, we gon' be straight
You can't touch me if you tried
And we ain't fuckin' if we can't date
