(Who made this?)
(TayTay made the beat)
I'm just real for who like and who don't
You gon' post me or you won't
It's been big PLUTO
Ha, what?

I heard these lame-ass hoes don't like me
Told her catch up with me, bitch, get like me
Scrammin' ho can't get a lick, can't wife me
I heard you fuckin' for that Alo, oh, so truffy
I heard these lame-ass hoes don't like me
Told her catch up with me, bitch, get like me
Scrammin' ho can't get a lick, can't wife me
I heard you fuckin' for that Alo, oh, so truffy

What the fuck these hoes got goin' on?
I'm checkin' shit, I'm tryna see
I'm in your state, let's get it in
Just dropped my lo', bitch, we can meet
I heard you fucked that boy
Why the hell you thinkin' he would be with me?
I'm right as hell, no sucker shit
Bitch, get on the winnin' team
Man, what the fuck this bitch got goin'?
Pushin' P, she pushin' pussy
She capped out, I pushed up on her
This bitch was sweeter than a cookie
Just like your mama, we spank you down
And you gon' take this ass whoopin'
I'm ridin' away, just say what's up
We packed him out, it's caught on footage
I'm like, "Yucky"
Heard you burnin', bitch, don't touch me
And she swear that she the one
No face for face, that lil' bitch ugly
Bank account so fuckin' thick
I got security for this money
I had lil' pape', now I'm the pape'
Ah, when you lose, that shit so funny

I heard these lame-ass hoes don't like me
Told her catch up with me, bitch, get like me
This scrammin' nigga, he the lick, can't wife me
I heard you fuckin' for that Alo, oh, so truffy

I heard these lame-ass rap niggas don't like me
Time to pipe it up, now fuckin' niggas' main wifey
Ask that nigga Zo, I robbed his ass without a shiesty
Three hundred on my neck, I'm bossed up than a bitch, I'm icy
Hold on
I snatch her, she can't move, I'ma fuck, then tell her cudos
I'm Double R, nigga, I spent three hundred thousand on my new two-door
Bitch throw it back, got her screamin', "Wham, wham" like I'm with PLUTO
I bet these bitches know I'm the one, bitch, I ain't talkin' uno
One thing that I know, these niggas say I'm on my shit for real
Same bitch that dissed lil' Boston, same bitch on my dick for real

Not too much of that pressure, I know that bitch can't wait to hit for real
I know them haters watchin' my page like, "Yeah, that boy for real"

I heard these lame-ass hoes don't like me
Told her catch up with me, bitch, get like me
