

Confide

PnB Rock

Girl, confide in me
You can tell me anything
Girl, don't you lie to me
I won't judge, girl
I just wanna see that side of you
That no one else can see
Tell me everything, tell me everything yeah
Girl, confide in me
You can tell me anything
Girl, don't you lie to me
I won't judge, girl
I just wanna see that side of you
That no one else can see
Tell me everything, tell me everything

Hey, it's nice to meet you
Have you ever had a threesome?
Yeah, I know that's random
But have you ever been that speechless
Girl you got cake but do you eat
Have you ever had sex on the beach?
Shawty I know you a freak, shawty I know you a freak
Have you ever came five times back to back while a nigga grabbing your neck?
Have you ever used ice with the whipped cream?
Shawty is you into that?
Have you ever got your back pulled out?
Got your tracks pulled out?
Had you tapping out, yeah

Girl, confide in me
You can tell me everything
Girl, don't you lie to me
I won't judge, girl
I just wanna see that side of you
That no one else can see
Tell me everything, tell me everything yeah
Girl, confide in me
You can tell me anything
Girl, don't you lie to me
I won't judge, girl
I just wanna see that side of you
That no one else can see
Tell me everything, tell me everything

I'm that guy
It's a ride, don't be shy, girl come slide with me
I know you a freak, I see it, don't you lie to me (don't lie)
Treat me like a king
Let's do everything
Let's do everything (let's go)
Girl come fly with me, let's get high, catch a vibe
Spend your night with me
Open up next thing you know you wanna ride for me
I wanna see everything
Come up out them jeans
Do some freaky things yeah
You ain't never had it done like this

You ain't gotta lie to me
Got you in your feelings now, whole time you just wanna cry to me
Got a nigga hooked like good dope, yeah you the best to me
You just like a swimming pool yeah you was already wet for me

Girl, confide in me
You can tell me anything
Girl, don't you lie to me
I won't judge, girl
I just wanna see that side of you
That no one else can see
Tell me everything, tell me everything yeah
Girl, confide in me
You can tell me anything
Girl, don't you lie to me
I won't judge, girl
I just wanna see that side of you
That no one else can see
Tell me everything, tell me everything
