

Doing So Well

PnB Rock

I was just locked in a cell, now I came home and I'm doin' so well
These niggas they hate on me now
I don't give a fuck cause my momma she proud
I know when my brother look down
We just killed the opps so I know that he smile
We smokin' straight out the pound
All these lil' bitches be burnin' me down, yeah, yeah
Lifestyle of the rich and famous
Niggas mad cause a young nigga made it, huh
Yeah, a young nigga made it do the dash
See a young nigga racing huh, skrrt skrrt
This life so amazing, this life so amazing, huh

I was just broke goin' out sad, I swear I ain't have no cash
I was just broke down on my last I had no keys to the PAD
Mom kicked me out, she said I was too bad
Used to be bummy in class, shoot my shot
All the bitches used to laugh
Dropped outta school, had to turn to the trap
I was tryna pull on bitches in a jag
When I was locked up ain't nobody have my back
I was alone with no bitches, ain't hear from none of my niggas
But you know I wasn't trippin' 'cause I was cooking
Writing songs in my notepad
Came home and turnt up on everybody doubtin' me
I swear this shit happen so fast, huh, look at me now, yeah
Look at my chains, yeah, look at drip
All of these whips, all of these chains
Diamonds they all on my teeth
When I smile you could see these VV's
Smoking opps yeah straight out the P
I know my brother he Rest In Peace, yeah

I was just locked in a cell, now I came home and I'm doin' so well
These niggas they hate on me now
I don't give a fuck cause my momma she proud
I know when my brother look down
We just killed the opps so I know that he smile
