Put that shit all in my face
I love the way that you taste
Shawty come up in my Wraith
See the stars like you outta space
Yeah, I know you've had a long day
I see it all in your eyes
Shawty you can't even lie
Won't you come back to my place
And put that shit all in my face
I love the way that you taste
Shawty come up in my Wraith
See the stars like you outta space
Yeah, I know you've had a long day
I see it all in your eyes
Shawty you can't even lie
Won't you come back to my place
And put that shit all in my face

Play with clit with my thumb
Put some more spit on my thumb, get that shit wet
