

Forever Never

PnB Rock

Yeah, I'm speedin', I'm speedin'
Been ridin' through the city for no reason
Got demons, tryna get even
Pray to God they don't give me no reason

She knows I'll come back home, and she knows I'll do what I want
And she knows I'll never move on, she knows

You're never gonna find somebody better
'Cause we're supposed to be together
This was supposed to be forever and ever
You're never gonna find somebody better
'Cause we're supposed to be together
This was supposed to be forever and ever, I swear

You'll never have to settle
I've been dealing with the devil
I don't want you to let go
I'm speedin', I'm speedin'
On a race for your love I'm fienin'
I'm leanin', codeinin'
Wake up and you're gone, am I dreamin'?

She knows I'll come back home, and she knows I'll do what I want
And she knows I'll never move on, she knows (Yeah)

You're never gonna find somebody better
'Cause we're supposed to be together
This was supposed to be forever and ever
You're never gonna find somebody better
'Cause we're supposed to be together
This was supposed to be forever and ever, I swear

And forever is a mighty long time
Can't keep track with my wrist 'cause it don't tell time (Yeah)
I don't want nobody but you, I swear (Yeah)
'Til it's gray hairs, baby, stay right there
An apology forever
Two-hour talks just like a lecture
I would hate to drift apart
Thinkin' we're supposed to be together
Said you were a bad texter to him
'Cause you found your forever
Your beauty like a flower petal
And baby, I'm the better one
You'll never find nobody better
I've been fightin' demons, fightin' the devil
I think I need a purple medal

You're never gonna find somebody better
'Cause we're supposed to be together
This was supposed to be forever and ever
You're never gonna find somebody better
'Cause we're supposed to be together
This was supposed to be forever and ever, I swear

Forever, oh

Woah, oh, oh, oh
You'll never have to settle
I've been dealin' with the devil
I don't want you to let go
