You had a long day, I got some weed for your stress  
'Bout to wash up and get dressed  
Send me your address  
And I'll be on my way, let's fuck and roll up some haze  
I pull up to your place, see that smile on your face  
Show me just how much you miss me, come take off all this BAPE (Yeah)  
Girl, you know you wanna get (High)  
With me, shawty I got what you need, me, backwoods and hella weed

I can't wait to get (High)  
With you, girl, with you, girl, you should know, you should know  
I can put you on another (High)  
So let's ride, shawty, let's get high, shawty

'Cause girl, I love it when we (High)  
Do it turn you on, shawty? Tell me if I'm wrong  
I can see it in your eyes when you're (High)  
That you feelin' my vibes, baby, you ain't gotta lie  
I been waitin' all day to get (High)  
With you shawty, you know you my boo  
I got all this weed for you, girl, let's get (High)  
Tonight, shawty, let's get high, shawty

And we ridin' 'round with the top back  
Smokin' on this opp pack  
My baby she exotic, but together we so toxic  
Just me, you, and mary jane, this thing'll never change  
We take off like a plane, then we go MIA

And I love it when we (High)  
'Cause I know that leads to you gettin' naked  
You pull out my wood and then you face it  
This the type of shit, you can't replace it  
And I love it when we (High)  
That smoke and fuck then chill  
Tequila refills, I love it when we both (High)

Yeah, yeah-yeah (Yeah, yeah)  
I wanna get high, oh, yeah, I  
I just wanna get high, oh, yeah, I  
I just wanna get high, oh, yeah, yeah-yeah  
I just wanna get high with you, I just wanna get high with you

Pull up and just slide with you, yeah  
I just wanna get high with you, I just wanna come fly with you  
Roll up and get high with you  
Yeah, yeah-yeah, oh yeah
