

Ness on the beat  
Cheffing up like Pasquale

I got some issues, I know that, I can't lie (Yeah)  
'Cause I got a bitch but I fuck hoes on the side  
I got some issues that I know I can't hide  
Say to my bitch that I love her but I lied (Yeah)  
I got some issues, I know that, I can't lie  
'Cause I got a bitch but I fuck hoes on the side  
I got some issues I know that I can't hide  
'Cause I told my bitch that I love her but I lied

You say that you're lonely, hoping that I notice  
I know that it's sad how a nigga do  
Then you entertain me, always baby  
Put you in my bed, you leave so confused  
'Cause I fuck you so good, be all up in your feelings  
I make you nut, then you tell me that you love me  
Soon as we're done, you be throwing shit and crying  
Look, I had enough, enough, yeah, yeah

I got some issues, I know that, I can't lie (Yeah)  
'Cause I got a bitch but I fuck hoes on the side  
I got some issues that I know I can't hide  
Say to my bitch that I love her but I lied (Yeah)  
I got some issues, I know that, I can't lie  
'Cause I got a bitch but I fuck hoes on the side  
I got some issues I know that I can't hide  
'Cause I told my bitch that I love her but I lied

Yeah, twenty women gettin' added to my roster everyday  
Some from Texas, some from Cali, some do not live in the States  
I'm ashamed, no I'm not  
Who am I kidding, man I love it  
24 with like 24 reasons to say "Fuck it"  
It's so easy now  
Women multiplying off my clout  
To tell the truth though, I had hoes when I was sleepin' on the couch  
That's the sauce, that's the sauce  
Always had it, always will  
To the ones who got my real number, let me keep it real  
Pour out my exes, I pour up some new ones  
Please do not take pictures, you doing too much  
Fuck talking, I keep it short like a crew cut  
I can't fuck you if you let the whole crew fuck  
It's been too long, I've been fucking since I was tryin' to get on  
And now you got a husband, now you got kids  
They don't gotta know, fuck thinkin' 'bout this, yeah

I got some issues, I know that, I can't lie (Yeah)  
'Cause I got a bitch but I fuck hoes on the side  
I got some issues that I know I can't hide  
Say to my bitch that I love her but I lied (Yeah)  
I got some issues, I know that, I can't lie
