

Yeah uh  
Uh yeah uh  
Yeah uh  
Oh yeah  
I'm feeling lucky

Baby, been missing you lately  
It's driving me crazy  
You've been on my mind been thinking bout you on the daily  
Acting like you hate me, been treatin me brazy  
Now I'm on your mind you know them other niggas ain't me

Been missing you lately  
It's driving me crazy  
You've been on my mind been thinking bout you on the daily  
Acting like you hate me, been treatin me brazy  
Now I'm on your mind you know them other niggas ain't me

You know that this what you want  
Don't know why you tryna front, oh yeah  
You know you get what you want  
I'll buy you Yves Saint Laurent, oh yeah  
We goin go shopping for fun  
New Bottega by the ton, oh yeah  
I know I fucked shawty but I really know that you is the one  
I've been missing all them days, I was in between your legs  
Who else gon be my partner, you my queen in spades  
Shawty you know I need you even though I'm still stuck in my ways  
Since I still got your attention, I just gotta say

Baby, been missing you lately  
It's driving me crazy  
You've been on my mind been thinking bout you on the daily  
Acting like you hate me, been treatin me brazy  
Now I'm on your mind you know them other niggas ain't me

Been missing you lately  
It's driving me crazy  
You've been on my mind been thinking bout you on the daily  
Acting like you hate me, been treatin me brazy  
Now I'm on your mind

Baby, been missing you lately  
It's driving me crazy  
You've been on my mind been thinking bout you on the daily  
Acting like you hate me, been treatin me brazy  
Now I'm on your mind you know them other niggas ain't me
