

## Link Up

PnB Rock

She follo me on Instagram, she think she my biggest fan  
She wanna have a one night stand  
She liking all of my pictures, on Monday I'm in crushed cans  
She say boy, we should link up  
We should link up  
We should link up, can we link up

Started as a follower on the Gram, like all of my bitches, showing her to al  
l of my friends  
Like, bad bitch, she in first place  
Tryna get to her place, hope for first base  
Or maybe back to my crib, fuck in my bed  
Edgucated hood chick, she don't know what a thot is  
Man crush on a Monday, sware to God she gonna be my bitch one day  
I just wanna link up, talk about anything you could think of  
IPhone, baby, I just wanna sinck us  
Back shots all night, eat the pussy nice  
Or take you to K and P, get you what you like  
Take a trip to Sean, and get you that ice  
I knew you was something special, in my mind, baby I just wanna dress you  
In them heals, in the red bottoms  
In them big bags, tell all your friends about it  
And them trips to the islands, baby, I just see you smiling  
On the link up, she know I'm thuggin  
She just wanna embrace him, and she all the snatch life  
Girl, you just need to act right

She follo me on Instagram, she think she my biggest fan  
She wanna have a one night stand  
She liking all of my pictures, on Monday I'm in crushed cans  
She say boy, we should link up  
We should link up  
We should link up, can we link up

This can't be love, Looking at us like this can't be us  
Had a couple of side bitches, tryna jam me up  
Said, just don't stand me up  
Late nights, I would call, you would go gass the Cameri up  
Snick you in, lift the Fameri up  
Late nights on the Gram, throgh the Mammery up  
You said time was money, girl, you better add me up  
Everybody be like, please don't like her, please don't wife her  
She's not the type of girl that you should fall for  
Late nights, you the only one I call for  
Tryna ride, but you already got a ride for  
Link up, drink up, tryna pour this pink up  
Let's talk until the morning, anything you can think of  
Baby, we'll be on the brink of  
His and her firs made to hold the mink up  
Sware you flawliss, cooler than my cordless  
Drinking for your name, called to tell you all this

She follo me on Instagram, she think she my biggest fan  
She wanna have a one night stand  
She liking all of my pictures, on Monday I'm in crushed cans  
She say boy, we should link up  
We should link up

We should link up, can we link up

She just wanna link up, and I don't blame her  
She know I'm that nigga, and all these hoes wanna say they got that nigga  
Started on IG, all in my DMs  
I wrote you back, and you showed all your friends  
You say, oh my God, is this really him  
PnB Roc, boy, I'm your biggest fan  
Shaudy on me, so she want this D  
And you know me, Imma give it to her  
She want me, cause I'm from the streets  
And you know me, Imma keep it hood  
She want a thug, looking for no love  
She just wanna fuck  
SoSo you know what's up  
Yeah, we gonna go the crib  
Girl you me some of it  
Then we gonna go to the Benz, Imma fuck you real good, then you tell all of  
your friends  
He the one, just like I thought  
Girl, you know you fucking with a boss

She follo me on Instagram, she think she my biggest fan  
She wanna have a one night stand  
She liking all of my pictures, on Monday I'm in crushed cans  
She say boy, we should link up  
We should link up  
We should link up, can we link up
