

# Misunderstood

PnB Rock

Girl I told you what it was, I let you know  
I kept it all the way real, 'cause I been here before  
I gave you every chance for you to let it go  
I'm too busy living life and fuckin' hoes  
Yeah, but I know I treat you so good  
And I know I eat you so good  
And I know it's hard to find a nigga like me 'cause I keep it so hood  
And I ain't into breaking hearts, I swear I would take it all back if I could  
Let's get this understood, right now we're misunderstood

Texting me paragraphs and textbooks, girl leave me alone  
You ain't my mom or my PO, ain't got to answer you, I'm grown

But shit been getting real now, I'm just tryna tell you how I feel now

What we share is something different
