

# No Time

PnB Rock

Is you fucking with me?  
Cause I'm fucking with you  
I'm really in the streets  
So what am I to do  
I don't want you to leave  
But if I gotta choose  
I gotta keep it all the way 100  
Baby, I ain't got no time for you (No Time, No Time)  
I'm to busy chasing money  
Baby, I ain't got no time for you (No Time, No Time)  
No, I ain't got no time for you

Out of time cause I been on my grind  
I been chasing this paper  
But girl you been on my mind  
Yeah, I gotta keep it real  
Girl you been on my mind  
People calling me for things  
I'm wishing you hit my line  
Yeah, but you want me to choose you over paper  
I can make that decision with my eyes closed  
No strings attached  
Girl we can do it right now  
Now tell me how you want it  
Shawty, Fast Or Slow?  
What you asking for?  
I ain't got no time  
What you think I'm trapping for?  
All the things I'm out here doing  
You don't have to know  
Just know I can buy you all them things you asking for  
Just know I can fly you in and out the city  
Hit the mall, blowing hundreds and them fiftys  
I keep it real shawty I can't be committed  
I thought you was my woe, yeah  
All I need to know, yeah

Is you fucking with me?  
Cause I'm fucking with you  
I'm really in the streets  
So what am I to do  
I don't want you to leave  
But if I gotta choose  
I gotta keep it all the way 100  
Baby, I ain't got no time for you (No Time, No Time)  
I'm to busy chasing money  
Baby, I ain't got no time for you (No Time, No Time)  
No, I ain't got no time for you

Looking for time  
That's something I ain't got  
You want me hugging you, shawty  
Instead I'm hugging the block  
I tired of ducking you, shawty  
Feel like I'm ducking the cops  
I'm chasing money  
You worried bout if I'm fucking or not

You keep calling me  
Im thinking that's a trap  
And I get mad  
I'm just out here Tryna get it  
Tryna stack my bread  
I'm a real one  
That's something you said you ain't never had  
Yeah, that's something you said you ain't never had  
(Oh Yeah)  
Got no girl  
But the white be my girlfriend  
Just let me do me  
And we can go until the world end  
Thought you knew wassup  
But now I see it ain't for certain  
Now all I really wanna know is

Is you fucking with me?  
Cause I'm fucking with you  
I'm really in the streets  
So what am I to do?  
I don't want you to leave  
But if I gotta choose  
I gotta keep it all the way 100  
Baby, I ain't got no time for you (No Time, No Time)  
I'm to busy chasing money  
Baby, I ain't got no time for you (No Time)  
I gotta keep it all the way 100  
Baby, I ain't got no time for you (No Time, No Time)  
I'm to busy chasing money  
Baby, I ain't got no time for you (No Time, No Time)  
No, I ain't got no time for you  
I gotta keep it all the way 100
