

Stage Fright

PnB Rock

I can sing for 30 thousand people, but when it comes to you, you give me stage fright
I can sing for 50 thousand people, but when it comes to you, you give me stage fright
Yeah, yeah girl you make me shy inside
Girl it's hard to look into your eyes
Ooh you give me stage fright
It's hard to look into your eyes

Girl, I thought about you last night, on that flight
I was in the clouds, day dreaming 'bout your love, about your touch
Girl, you know I been feelin' up
Your love is like a drug, drug, drug
You remind me of my first crush, crush
You remind me of my first crush, crush, crush

'Cause I can sing for 30 thousand people, but when it comes to you, you give me stage fright
I can sing for 50 thousand people, but when it comes to you, you give me stage fright

Soon as I pull up, girl, I slide
Feel the rush, feel the high
See the lust, in your eyes, in your eyes
In your eyes, in your eyes
Are you satisfied or distracted?
By these flashing lights, I'm just asking
I just wanna know, 'cause we get higher than a satellite
Girl this shit so real, I might feel this in my afterlife
Every time I'm swimming in, girl I feel like I'm in paradise
Girl, I swear I love the way you work it
Throw it back like Serena, I'ma serve it
But you still make me nervous

I can sing for 30 thousand people, but when it comes to you, you give me stage fright
I can sing for 50 thousand people, but when it comes to you, you give me stage fright
Yeah, yeah girl you make me shy inside
Girl it's hard to look into your eyes
Ooh you give me stage fright
It's hard to look into your eyes
