You and I
Wait, hold up
You already know how we carrying this shit bae
Oh woah, oh woah, oh woah
Oh yeah

You and I, that's when we get big bankrolls
You and I, when we link we do the most
You and I, going to fast might lose control
You and I, when they see us bae, they say goals
You and I, flexin we get big bankrolls
You and I, when we link we do the most
You and I, going to fast might lose control
You and I, they see us bae, they say goals

That's my bae, that's my bae
She's so bad, she's so plain
To the mall 50k
It's ok I got it, yeah
And I know you got it too
Girl, that's why I fuck with you
Niggas tried, make a noose
I don't play about you
Girl Imma slide for you, oh woah
That's no cap
No matter what happen
Girl, I'd die for you
I love the vibe with you
And you doing your shit
Girl, I'm proud of you, oh woah
I be outside with you, yeah
Can't even lie to you, nah
Gotta thank god for you
Helped me change for the best
I can't complain I'm blessed
I gave you all my trust, ohh
Put diamonds on your neck
These brand new VVS
Can't stress when its good sex, ohh

You and I, that's when we get big bankrolls
You and I, when we link we do the most
You and I, going to fast might lose control
You and I, when they see us bae, they say goals
You and I, flexin we get big bankrolls
You and I, when we link we do the most
You and I, going to fast might lose control
You and I, they see us bae, they say goals

Helped me change for the best
I can't complain I'm blessed
I gave you all my trust, ohh
Put diamonds on your neck
These brand new VVS
Can't stress when its good sex, ohh

You and I, that's when we get big bankrolls

You and I, when we link we do the most
You and I, going to fast might lose control
You and I, when they see us bae, they say goals
You and I, flexin we get big bankrolls
You and I, when we link we do the most
You and I, going to fast might lose control
You and I, they see us bae, they say goals

You and I, that's when we get big bankrolls
You and I, when we link we do the most
You and I, going to fast might lose control
