

There You Are

Pocket Full Of Rocks

One thing that I ask, is to dwell with You forever
One thing I want to see, that is You surrounding me

One thing that I ask, is to dwell with You forever

And I just wanna be closer to You
I just wanna be where You are
I just wanna be closer to You
I just wanna be where You are

One thing that I ask is to dwell with You forever
One thing I wanna see, that is You surrounding me

(Chorus)

Everyday it seems more clear to me that
You are everything to me
And I'll do anything to be with You, with You

(Chorus)

I wanna be where you are
