

Rockin' Horse Blues

Poco

It's goin' down
down to the wire
I've got my feet
feet to the fire

I'm gonna' hold on
baby I swear
this rockin' horse
ain't goin' nowhere
Rockin' horse blues

Sunrise sunset
passin' on by
ain't gonna' slow down
til the day I die

Dust on the pages
pages I've turned
roads I've traveled
bridges I've burned
Rockin' horse blues

It's goin' down
down to the wire
I've got my feet
feet to the fire

I'm gonna' hold on
baby I swear
this rockin' horse
ain't goin' nowhere
Rockin' horse blues
Rockin' horse blues
