

# You Better Think Twice

Poco

CAPO 2. FRET

**G**

You better think twice

**D**

About leaving me behind,

**C Csus C**

Make up your mind

**G**

About what you're gonna do

**G**

You know it ain't easy

**D**

When your love hurts night and day

**C CsusC**

Oh how you please

**G**

When I hear you call my name

**G**

**C**

Breathlessly I await the moment to surround you

**G**

**C**

Do not fear the song that makes you sing

**G**

**D**

It'll offer you wings to fly away

**C**

**A**

**C**

**G**

But do not expect to land if you can't stay

**G**

You better think twice

**D**

About leaving me behind

**C Csus C**

Make up your mind

**G**

About what you're gonna do

You take my advice

**D**

Oh woman, you got to choose

**C Csus C**

Take a little time

**G**

You got nothing more to lose

SOLO

**G**

**C**

In time, you know my melody will haunt you

**G**

**C**

Your words can make it rhyme so easily

**G**

**D**

It ain't no sin, when love is real

**C**

**A**

**C**

**G**

So come on and let me know just how you feel

**G**

You better think twice

**D**

About leaving me behind

**C        Csus        C**

Make up your mind

**G**

About what you're gonna do

You take my advice

**D**

Oh woman, you got to choose

**C        Csus        C**

Take a little time

**G**

You got nothing more to lose
