

# This Road (AW)

Poe

Intro

I'm getting off this time

Loops forever

Road

Loops forever

Loops forever

I'm getting off this time

Chorus

And some say that it loops forever

This road that I lose you on every time

Huh

And some say that it loops forever, this road

And some say that it loops forever

This road that I lose you on every time

Huh

And some say that it loops forever, this road

Huh

Verse 1

I can see you there

But you don't see me anywhere

I'm right in front of you

I'm right here

On this winding road

What are you looking at?

Is it your face on a pane of glass?

'Cause somehow this window becomes a trap

On this winding road

Will it ever let me go?

Forever I am

Fading to black

Forever I am

Circling back

Just to fall into this trap

This

Winding road

Chorus

And some say that it loops forever

This road that I lose you on every time

Huh

And some say that it loops forever, this road

And some say that it loops forever

This road that I lose you on every time

Huh

And some say that it loops forever, this road

Verse 2

Your words

Your words aren't meant for me

They're meant only for you, I see

Wake up, wake up

It's only a dream

On a winding road

Now that you're in my bed  
In the dark chamber of my head  
I flip you over until you bend  
This winding road

Don't you ever let me go  
Forever I am (Forever never)  
Playing pretend  
Forever I'm never (Forever never)  
Wanting it to end  
This message that you send  
To this  
Winding road

Bridge  
It's just the beginning  
Only the ending  
Winding through me now  
Only the end

It's just the beginning  
Only the ending  
Winding through me now  
Only the end

Winding through me now  
It's only the end  
Only the end (beginning)  
Winding through me now  
Only the ending  
Forever, forever  
Forever, forever  
Verse 3

Now you're falling  
Apart  
The light is a poisonous  
Poisonous dart  
Forever seeking out  
The darkest part  
Forever, forever  
Forever your  
Heart

Outro  
And some say  
That it loops forever  
This road that I  
Find you on  
Forever  
And ever  
(Forever)

And some say  
That it loops forever  
This road that I  
Find you on  
Every time I  
Forever  
And ever

It's a spiral (And some say)  
I find you  
I find you

Forever

It's a spiral  
And ever  
(forever)

It's a spiral  
I find you

It's a spiral  
I find you

Loops forever
