

# The Sweet Escape

Poets of the Fall

Lying in the arms of night  
In the shadows of the firelight  
Suspended by this feeling of fading away

I wanna run away with you  
So meet me by the cut through  
Together we'll make our sweet escape

'Cause you're fearless in your love  
Devoted to compassion  
The highest state of art  
Piercing in your truth  
Sincere in all intention  
The way you wear your heart  
The way you hold my heart  
My fierce friend

Under a canopy of stars  
Where thought and truth divorce  
In that latticework of dreams we are shameless

I wanna run away with you  
Somewhere they cannot undo  
Together we'll make our sweet escape

'Cause you're fearless in your love  
Devoted to compassion  
The highest state of art  
Piercing in your truth  
Sincere in all intention  
The way you wear your heart  
The way you hold my heart

And this is why I love you  
Why you're the only one  
You're the only one  
Who has seen me come undone  
And then seen beyond

'Cause you're fearless in your love  
Devoted to compassion  
The highest state of art  
And you're piercing in your truth  
Sincere in all intention  
The way you wear your heart  
The way you hold my heart  
My fierce friend

I wanna run away tonight  
Just leave everything behind  
Together we'll make our sweet escape

In the shadows out of sight

Like ghosts in ultraviolet
