

Up On A Hill

Point North

I got a bone to pick and it's starting to bleed
You're gonna see the ugly side of me
I'm like a wall when people are trying to speak
You're gonna wish you never disagreed

So put me up on a pedestal and I'll change your life
Just put up with my attitude and you'll know I'm right

It's the fight of my life and I'm right here ready to die

I'm in a grave up on a hill
I gotta save self-righteous appeal
I got a tongue like a bullet
And you're all gonna know it
'Cause I'm your new messiah for sale
And I'm dying on this hill

It's an open door to misinform
The toxic source got lethal force
'Cause I'm taking over the room
Not gonna listen to you
I'll put your thoughts in a noose
Ain't nothing that no one can do

It's the fight of my life and I'm right here ready to die

I'm in a grave up on a hill
I gotta save self-righteous appeal
I got a tongue like a bullet
And you're all gonna know it
'Cause I'm your new messiah for sale
And I'm dying on this hill

I got a tongue like a bullet and you're all gonna know it
So believe all the lies and save my goddamn life

I'm gonna die on my hill
No one's gonna change my mind

I'm in a grave up on a hill
I gotta save self-righteous appeal
I got a tongue like a bullet
And you're all gonna know it
'Cause I'm your new messiah for sale
And I'm dying on this hill

Come on

I'm dying on this hill
