

## A Life That's Good

Point Of Grace

Sitting here tonight, by the fire light.  
Oh, it reminds me, I already have more than I should.  
I don't need fame, no one to know my name.  
At the end of the day, Lord I pray, I have a life that's good.

Two arms around me, heaven to ground me,  
and family that always calls me home.  
Four wheels to get there, enough love to share,  
and a sweet, sweet, sweet song.

At the end of the day, Lord I pray, I have a life that's good.

Sometimes I'm hard on me, when dreams don't come easy.  
I wanna look back and say, I did all that I could.

At the end of the day, Lord I pray, I have a life that's good.

Two arms around me, heaven to ground me,  
and family that always calls me home.  
Four wheels to get there, enough love to share,  
and a sweet, sweet, sweet song.

At the end of the day, Lord I pray, I have a life that's good.

At the end of the day, Lord I pray, I have a life that's good.

At the end of the day, Lord I pray, I have a life that's good.
