

# I Believe in You (Dedication Song)

Point Of Grace

Give your heart though it might make you a fool  
Go reach out and break some of the ruse  
Don't settle, hold out for something more  
Find the truth that you've been searching for

Let your eyes show what's in your soul  
And let your hands say you're not alone  
Find a love that loves you strong and kind  
Change the world with what is deep inside

I believe in angels, I believe in love  
I believe there'll come a time you'll find what you've been dreaming of  
Draw or win or lose, whatever road you choose  
I believe in you

Find yourself though you weren't even lost  
Be who you are and don't be who you're not  
Take a stand, don't linger on the fence  
With careful stance but lingered consequence

I believe in angels (I believe in angels)  
I believe in love (I believe in love)  
I believe there'll come a time you'll find what you've been dreaming of  
I believe in sunsets, I believe in prayer  
I believe there's hope 'cause there's someone out there who cares  
Draw or win or lose, whatever road you choose  
I believe in you

I believe in you

When it's time to let you go  
You're in my heart and in my soul  
And more than anything  
I hope you know

I believe in Jesus, I believe in God  
I believe there'll come a time you'll find what you've been dreaming of (dreaming of)  
I believe in sunsets, I believe in prayer  
I believe there's hope 'cause there's someone out there who cares  
Draw or win or lose, whatever road you choose  
I believe in you

I believe in you

I believe in you
