

# You Be the One

Point Of Grace

Sometimes you don't know what to do or what to say  
When someone tells you all their trouble, all their pain  
You don't feel like you've got much to offer  
That's when you come to Jesus and you lay it on the altar

The burden's not as heavy as you might think it is  
He's right there with you beside you time as this

You be the one to answer his call  
You be the one to stand up tall  
Reaching out to lift them up  
With the arms of love when they're feeling small  
You be the one to shine the eyes of Jesus  
Even when you think that they don't need you  
Don't give up until the race is run  
You be the one

With a little grace he can heal the broken past  
Help you forgive someone who can't forgive you back  
Speak a word of kindness, a little comfort for their soul  
Sit awhile and cry with them and help them to let it go

Even when it feels like you can't take one more step  
So run the road of Jesus and let him do the rest

See them look down in the ground  
It grows and ends up  
Coming back around  
He knew, He'd be the one for you
