

## Doin' as I Seen on My TV

Poison

When I was a child  
Staring at the tube  
I saw sex, violence  
and death on the news

One day I saw the Duke kill someone  
Daddy said don't worry boy  
They're just acting son

All I want is attention from somebody  
Somebody pay attention to me  
Like them actors I got no shame  
I want my fifteen minutes of fame

Doin' it as I seen on my TV  
Doin' it as I seen on my TV

Can I get on the news if I kill my wife?  
Would you respect me more if I took my life?  
I tried to act and my career just flopped  
So I beat up my neighbors and I got on Cops

All I want's a million from somebody  
Somebody pay a million bucks to me  
I could rope, shoot, rap and kill  
And buy me a house in Beverly Hills, please?

Doin' it as I seen on my TV  
Doin' it as I seen on my TV

I'd even do a porno flip  
Like all them Hollywood chicks  
I'm doin' it as I see on my TV

Took my girl to rent a porno movie  
I thought that it'd be kind of groovy  
I thought that'd this impress my lover  
And there she was right on the cover!

All I want is attention from somebody  
Somebody pay attention to me  
I'm a man I got no shame  
I want my fifteen minutes of fame

Doin' it as I seen on my TV  
Doin' it as I seen on my TV

Hell I'd even do a porno flick  
Like my hero Rocky did
