I Want Action

I want action tonight Satisfaction all night

I grab my hat and I I grab my shoes Tonight I'm gonna hit The streets and cruise

Down the main strip and Check it out With those schoolgirls A hangin' around

Now I'm a sucker for a pretty face I don't care if she's in leather or lace cause I'm just lookin' for a little kiss

I want action tonight Satisfaction all night You've got the love I need tonight

Long legs and short skirts These girls hit me where it hurts I can't wait to get my hands on them I won't give up 'til they give in

Now I'm not lookin' for a love that lasts I need a shot and I need it fast If I can't have her, I'll take her and make her

I want action tonight Satisfaction all night You've got the love I need tonight

Hey, sweetheart, slide on in here No, not in the front, jump in the back Why? Cause there's something back there I want to show ya

I want action tonight Satisfaction all night

Ah, come on honey, I wasn't that bad! Oh, well

I want action tonight Satisfaction all night You've got the love I need tonight

I want action tonight Satisfaction all night You've got the love I need tonight Poison
