

## The Glow of the Flames

**Poisonblack**

Temptation awaits as she opens the gates  
and I kneel down before her  
The scent of her rides in the breath of the night  
and I'm breathing the curse

I breathe and I drown in the circle of fire  
the glow of the flames  
And I embrace the demon-desire  
the glow of the flames in my eyes

The pleasure and pain... now they are the same  
for I have fell from grace  
I've been waiting for so long for the feeling this strong  
for this bliss of escape

I breathe and I drown in this funeral pyre  
the glow of the flames  
and I embrace the demon-desire  
the glow of the flames in my eyes
