Poliça

Now I know I'm grown cuz I'm all alone  
Don't got no one to call to drive me home  
Cuz I'm home, my babes are in bed  
Honey gonna sleep it off when he's dead  
I do it for them, I do it all cuz I can

Now we sit on the stoop and we look ahead, "hey boy"  
Baby you'll follow, maybe you could lead 'em like the rest  
Now we're blowing bubbles and chasing birds  
Singing so sweet and laughing into the world  
Baby make me better before I break you under my...

Back in the day momma held me steady  
Steady  
Back in the day momma held me steady  
I don't feel that steady  
Back in the day momma held me steady  
Steady  
Back in the day momma...

It's hard to see how living is easy  
The higher you fly the harder you fall  
You won't always feel this way  
One day you're dead and what more can I say  
It's hard to see how living is easy

Then I'd take a moment to see myself, "hey girl"  
It wasn't even a mirror but some quote  
Left high upon the shelf  
Telling me I'm cruel and weak as hell  
I can't control you or myself  
Sorry's getting old, it's getting stale, don't do me well

Back in the day momma held me steady  
Steady  
Back in the day momma held me steady  
I don't feel that steady  
Back in the day momma held me steady  
Steady  
Back in the day momma...  
I don't feel that steady  
Back in the day momma held me steady
