

# Everybody

Polo G

(This Chicago, nigga...)

So everybody rappers, that's what everybody do now?  
Everybody claiming with the shits, this what's cool now?  
Everybody killers, everybody wanna shoot now?  
Everybody real, everybody tell the truth now?  
My city move funny, think it's time for me to move out  
My city move funny, think it's time for me to move out  
My city move funny, think it's time for me to move out  
My city move funny, think it's time for me to move out

Dropping T's or you drop the L's, better cool out  
You tryna get wet up, have the gang bring the pool out  
On our the way to heaven, but ya ain't ready for that cruise now  
Polo on yo' ass, what the fuck is you gon' do now?  
Polo, he gon' blast shit, you know I bring 'em 2's out  
I used to be chill, but they say I act a fool now  
They like Polo crazy, I'm missing a couple screws now  
Bitches used to diss me, they lined up and I can choose now  
I go a main bitch, some side hoes, and some booze now  
Know I'm finna eat, they already got they spoons out  
Feeling like I'm Bishop, yeah they say, "I got the juice now"  
I got a dream team, so it feel like I can't lose now  
Sould got the songs, spazzing out, I'm in my groove now  
Bitch, I'm on a mission, all them haters getting tuned out  
Opps gon' last, since a new patch coming soon now  
Like big homie killer, I'm young and I bring 'em goons out  
Slide when it's dark, we like to drill when the moon's out  
Fuck 'em off, sweep my block my niggas, bring 'em brooms out  
Chopper shooting loud, yeah, nigga, we bring that boom out  
Bitch, hit this bitch, blowing clears the whole room out

So everybody rappers, that's what everybody do now?  
Everybody claiming with the shits, this what's cool now?  
Everybody killers, everybody wanna shoot now?  
Everybody real, everybody tell the truth now?  
My city move funny, think it's time for me to move out  
My city move funny, think it's time for me to move out  
My city move funny, think it's time for me to move out  
My city move funny, think it's time for me to move out

If you ain't real, I ain't feelin' you  
My bitch drive me crazy and my OG, she be tripping too  
Real hard headed, granny the only person I listen to  
People with their hands out, fall back, I ain't got shit for you  
Thotties want the guap, I can only get my dick to you  
New day, different shoes  
Mix, match and design and I got tail, that I'm dripping to  
I'm living like if this was my younger me and I didn't get to do  
Long live my niggas, bitch, the gang where they living through  
Slide down West, I'm a genius when I hit the stu'  
They say real G's move in silence, where I'm living proof  
I ain't run my mouth, doing all that talking when I'm in the booth  
And I ain't telling lies in them raps, all that shit is true  
They tryna take my mama car shopping, tell her, "Pick a coupe"  
Plotting on a mil, go get it and split it with the crew  
Ain't no fake love, make sure it ain't none of my niggas fool

ODA my brother's day-ones, ain't no niggas new  
My boys some animals, don't make me let them gorillas loose  
Niggas get to say that pocket-rockets make a nigga juice  
Foenem get to blow it, then I gotta squeeze to trigger too  
This shit ain't a gang, but we will really get rid of you  
Glizzy, like Mortal Kombat  
The way that bitch had finished you, hollow tips get to ripping you  
Catch you a lacking, it's crackin', even bitches get it too  
Catch you a lacking, it's crackin', even bitches get it too

So everybody rappers, that's what everybody do now?  
Everybody claiming with the shits, this what's cool now?  
Everybody killers, everybody wanna shoot now?  
Everybody real, everybody tell the truth now?  
My city move funny, think it's time for me to move out  
My city move funny, think it's time for me to move out  
My city move funny, think it's time for me to move out  
My city move funny, think it's time for me to move out

Bitch, bitch  
Ayy, Polo, run it up, Polo, run it up  
Ayy, ayy
