

Same Me

Polo G

I'm still the same me, yeah, yeah
Even though that you cause me pain
I could never go against the grain
We both know you're the one to blame
I'm still same me, yeah, yeah
My love for you will never change (Uh)

You the only makin' me feel like this, but don't take that as a compliment
I want my best friend back 'cause you ain't the same person I was bonded with, nah
Put up with a lot of shit and my efforts don't get no acknowledgement
Even though you was the one I was honest with
For bullshit, you raised my tolerance, uh
Why do this girl think I need her?
Seem like you couldn't keep up
Back then, you had a place in my heart, well, girl, now the lease up
Fight, then we fuck the sheets up
Miss you like Aaliyah
Real love, that's a teaser
I thought I could never leave her

Uh-uh, uh, uh-uh, uh
Uh-uh, uh, uh-uh, uh

I'm still the same me, yeah, yeah
Even though that you cause me pain
I could never go against the grain
We both know you're the one to blame
I'm still same me, yeah, yeah
My love for you will never change

Still remember everything that I told you
I was tryna be who I'm 'posed to
Loyalty had you thinking I owed you
Now I'm rethinking the reason I chose you
I was tryna trust my heart, but it was just still somethin' deep my soul knew
Feelings change when love get hard
Remember long nights, in my sleep, I'll hold you
It's yo' fault for where we are and girls like you hate those lessons
Strugglin' to play yo' part, can you show me somethin' when you ain't undressed?
Heartbreak only take one message
'Member you was my day one fetish
These days, I ain't obsessin'
Like, why would you play with yo' blessing?

Uh-uh, uh, uh-uh, uh
Uh-uh, uh, uh-uh, uh

I'm still the same me, yeah, yeah
Even though that you cause me pain
I could never go against the grain
We both know you're the one to blame
I'm still same me, yeah, yeah
My love for you will never change
