

# Peter Pan

## Polo & Pan

Eeny-meeny-miney-mo  
Catch a tiger by the toe  
Let him hurt or let him go  
This game ends up always the same

You Tarzan, I Mary Jane  
You cowboy, I Indian  
It will be much easier  
If we had super powers

He's my Peter Pan  
She's my Tinkerbell  
Everyone knows the end  
Let's go to Neverland

You know I know you can fly  
Take it easy, close your eyes  
Promise never to pass by  
Cross my heart and hope to die

Tick-tock, the crocodile  
Rewind when Captain Hook cries  
Leave your shadow in your mind  
One more 'once upon a time'

He's my Peter Pan  
She's my Tinkerbell  
Everyone knows the end  
Let's go to Neverland

He's my Peter Pan  
She's my Tinkerbell  
Everyone knows the end  
Let's go to Neverland

We started running, screaming and jumping and laughing  
Laughing and laughing and laughing again  
Hunting and fishing and flying  
Laughing again

He's my Peter Pan  
She's my Tinkerbell  
Everyone knows the end  
Let's go to Neverland

He's my Peter Pan  
She's my Tinkerbell  
Everyone knows the end  
He's my Peter Pan

Ooh ooh-ooh, ooh-ooh ooh-ooh  
Ooh ooh-ooh, ooh-ooh ooh-ooh  
Ooh ooh-ooh, ooh-ooh ooh-ooh  
Ooh ooh-ooh, ooh-ooh ooh-ooh

Tick-tock, tick-tock, tick-tock, tick-tock, crocodile  
Tick-tock, tick-tock, tick-tock, tick-tock, crocodile

Tick-tock, tick-tock  
Tick-tock, tick-tock
