

## Summer Is Almost Over

Polo & Pan

Summer is almost over  
Summer is almost over  
In my mind

In my mind  
In my mind

In my mind  
Summer is almost over  
Summer is almost over  
Summer is almost over  
Summer is almost over  
In my mind

You know you're always on my mind  
Show me the way 'cause I am blind  
The summer days are now behind

Summer is almost over  
Summer is almost over  
In my mind  
Summer is almost over  
Summer is almost over

It's over  
It's over  
It's over
