

Just wasting time or killing time I go
I wanna be so, I wanna go

Just wasting time or killing time I go
I wanna go, you know its time I go

You say go !! Just go !!
You say "Stone cold sober ?"
Oh no ! I don't know why

Just falling down or kneeling down I go
I wanna be so, I wanna go

Just falling down or kneeling down I go
I wanna go, you know its time I go

You say go !! Just go !!
You say "Stone cold sober ?"
Oh no ! I don't know why

Just wasting time or killing time I go
I wanna be so, I wanna go

Just wasting time or killing time I go
I wanna go, you know its time I go

You say go !! Just go !!
You say "Stone cold sober ?"
Oh no ! I don't know why

You say go !! Just go !!
You say "Stone cold sober ?"
