

People see and people do
Cut a tooth, and miss a tooth
Choose fish or choose chicken, oh !
Where's your manner ? Here you go !

What is what and who is who ?
You and I and e. T. C.
Signal turns red or green, oh !
Let'em scoot and let'em go !

All we make is a same action
Stereotype yeah, we do S. V. O. !

People see and people do
Cut a tooth, and miss a tooth
Choose fish or choose chicken, oh !
Where's your manner ? Here you go !

There is one thing, one object
See the smoke and follow the sign

All we make is a same action
Sterotype yeah, we do S. V. O.
