

X-RAYS (this is my life)

POLYSICS

Take all the taxi or take all the bus
Take out the French or take out mac
Spread the butter or spread the jam
Kick out the ball or kick out the cat

Catch the airwave or catch the newwave
Keeping a cool face or hit the big face
Breast the tape or cut off the tape
The alternative is to sleep or to wake

There's no need to worry about such a small thing
Just X-rays are passing through me and this is my life
Just X-rays are passing through...

Take all the taxi or take all the bus
Take out the French or take out mac
Spread the butter or spread the jam
Kick out the ball or kick out the cat

There's no need to worry about such a small thing
Just X-rays are passing through me and this is my life
Just X-rays are passing through...

This is my life, the end
