

Dangerous

Pomme

I feel dangerous
I don't feel good
I want my family
Everything's fucked up
I don't feel good
No one will talk to me

If I could run, run, I'd run
If I could scream, scream, I'd scream
If I could be alone, alone
Under the sea, long gone, long gone
If I could be alone, alone
Under the see, long gone, long gone

I feel dangerous
