

Believe

Pomplamoose

Do you believe in life after love
Do you believe in life after love
No matter how hard I try
You keep pushing me aside
And I can't break through
There's no talking to you
So sad that you're leaving
Takes time to believe it
But after all is said and done
You're going to be the lonely one, oh
Do you believe in life after love
I can feel something inside me saying
I really don't think you're strong enough,
No Do you believe in life after love I can feel something inside me saying
I really don't think you're strong enough,
No What am I supposed to do
Sit around and wait for you
Well I can't do that (well I can't do that)
There's no turning back
I need time to move on I need love to feel strong 'Cause I've had time to think it through
And maybe I'm too good for you, oh
Do you believe in life after love
I can feel something inside me saying
I really don't think you're strong enough,
And I know that I'll get through this
'Cause I know that I am strong
I don't need you anymore
I don't need you anymore
I don't need you anymore
I don't need
Do you believe in life after love I can feel something inside me saying
I really don't think you're strong enough,
No Do you believe in life after love I can feel something inside me saying I really don't think you're strong enough,
No Do you believe in life after love
