

Get Me Out

Pomplamoose

You were trying to get me on the guest list
To a party that I didnt wanna go to
Its surprising that you couldnt guess that
Its the last place that Id ever wanna go to
I could see it in their eyes they werent at all impressed
Always underdressed and I thought

"Hell no

Get me out of here

Won't you get me out get me out get me out of here?"

(Cause the lights are low

And the feeling's so embarrassing

And I want you so

Make it all go away)

Theres a part of me that still believes that

Ill never be the one they wanna talk to

In my heart, Ive had to know the secret

But the rest of me is hidin in the bathroom

And I smile so politely cause thats what they taught me

(No wonder they don't like me, oh)

Hell no

Get me out of here

Won't you get me out get me out get me out of here?

Hell no

Get me out of here

Won't you get me out get me out get me out of here?

Cause the lights are low

And the feeling's so embarrassing

And I want you so

Make it all go away

[x3]

(Get me out of here)

Hell no

(Wont you get me out get me out get me out of here?)

Hell no

(Get me out of here)

Wont you get me out get me out get me out of here?
