

It's Like You're Always On My Mind

Pomplamoose

So, there's this place by the bay
Makes a solid panini
We could go there on your break
Before all of the
Tweeny polka-dot
Hot shots
Go and ruin the scene
It's like you're always on my mind
Always on my mind
It's like you're always on my mind
Always on my mind
Some folks float to the top
Like a dollop of cream
I've watched you struggle like a mother
Since you were sixteen
It's insane
Your brain is like a game of Jeopardy
It's like you're always on my mind
Always on my mind
It's like you're always on my mind
Always on my mind
(Doo doo
Hey, hey, hey
Doo doo
Hey, hey, hey)
You're like the beanie baby

Everybody wants
But nobody has
(You're precious)
You're like a first season sitcom
No one picked up
But I wish they had
(Cause I would watch that shit)
We could try something new
Or just a stupid sequel
Used to think people were good
Now I just think they're people
And if you think you're trash
Then I guess I'm a seagull
Cause you're always on my mind
Always on my mind
Oh yeah, you're always on my mind
Always on my mind
It's like you're always on my mind
Always on my mind
Yeah, you're always on my mind
Always on my mind
(Always on my mind
Always, always on my mind
Hey, hey, hey!)
